THE AIR FORCE RESOURCE PROTECTION PROGRAM

AFI 31-209, 10 November 1994, is supplemented as follows:

5.1.1.1 (Added) Unit orderly rooms are responsible for notifying all unit members of the requirement to have a copy of the AF Form 1314, Firearms Registration, in their Personnel Information Files (PIFs). The orderly rooms are also responsible for ensuring that all individuals who own personal weapon(s) provide a copy of the AF Form 1314 to the orderly room for inclusion in their PIFs. If the PIF is not maintained at squadron headquarters, orderly rooms will maintain a copy of the 1314 in a general folder in the PIF section of the files and maintain a copy in the member's PIF, wherever it is located.
